# JAFZA Free Zone Company Formation Dubai

As one of the largest and fastest growing free zones, JAFZA aspires to be the international business hub of the Middle East. JAFZA has successfully been attracting the “crème de la crème” in all business sectors from all over the world by sheer force of its unique value added offerings and propositions.

JAFZA is today one of the strongest brands in the region and stands for excellence, innovation and the power of partnership. It is the first free zone in the world to win ISO certification. Jebel Ali lies in the south of Dubai and is built around the world's largest seaport.

## Key features of Jebel Ali Free Zone offshore company formation include:

- 100% foreign ownership - vis-à-vis non free zone areas where majority local partnership is required.
- Zero percentage corporate tax for a period of 50 years, a concession that is renewable.
- Unrestricted repatriation of capital and profits
- 0% import or re-export duties
- 0% personal income tax
- No currency restrictions
- No restriction on hiring foreign employees
- The facility to mortgage owned premises on leased land. A company established in the Free Zone that has built its own facility may mortgage its premises to any bank.
- Access to abundant energy makes it cost-effective for clients to conduct production operations
- Availability of high class pre-built offices
- On-site chamber of commerce, international banks, insurance companies, consultancies, etc.

Whitmill Middle East DMCC (Whitmill) is in the position to offer clients a comprehensive company formation and management service.

Formation, domiciliary and management is where our company's expertise lies.

As a Group we have decades of experience in providing formation, domiciliary and management services.

## Clients can trust Whitmill to:

Guide them through the pre-approval, registration and incorporation.

Deal with all secretarial issues of client companies including day to day corporate administration, bookkeeping, and maintenance of the statutory records. Whitmill can appoint corporate or physical directors to represent client interests if required, along with registered agent arrangements in popular jurisdictions such as Ras

al Khaimah and JAFZA where we can provide representation for client companies, arranging the submission of necessary documentation such as amendments of company constitutions, board resolutions, change in shareholding etc.

Whitmill can also facilitate an introduction to one of the many banks with which we work. We can assist clients in the preparation of the necessary paperwork to establish a bank account and help them affect this in a timely manner.

Based on your preferences (reliability and prestige, the banks rating, a set of services provided by the bank, the minimum deposit required, the costs of banking services, etc.), Whitmill will provide you with a choice of reliable banks in stable and economically developed countries, following a strict privacy policy. We have excellent links with a number of banks in the region including local as well as international banks.

If required we can take all the necessary steps to open accounts in the UAE and will prepare the necessary documents on your behalf.

Should you choose it can be arranged in such a way as to give you the ability to open an account without visiting the bank. Our officers can act as signatories of a client business bank account and administer the account under clients' instruction.

We are also able to draft Power of Attorney agreements to enable Whitmill to deal directly with your finances under your instruction and to administer company and personal accounts and assets held.

With expertise in the legal, accountancy and chartered company secretarial sector, we are able to offer our services on an annual retainer basis to include company management services, accounts preparation and management reporting services to include the timely renewal of annual trade licenses.

## Benefits of this are:

- Tailor-made services to accommodate clients' specific requirements
- Assisting with bank accounts, raising of sale invoices, preparation of contracts, keeping of accounting records, preparation of monthly management accounts
- Applications for work/residence permits and renewals
- Introduction to business centre offices and conference rooms equipped with furniture and business communication facilities
